## March 2019

In this issue we bring you a warning to all altar boys, the opportunity to try your hand at flower arranging, a loving tribute from the family of Roley Smith, and lots of dates for your diaries in the forthcoming months.

### St Mary's Sundridge and the Bell Ringers

As you may have heard (over the past few hundred years), there are bells at St Mary's. Currently they ring out in practice on Thursday evenings for at least one Sunday service a month. But had you noticed the very narrow, steep and uneven stairway up which the Bell Ringers go to access the Ringing Chamber and its six bells?

On 13 December 2018, in just one day, the most beautiful twisted wrought-iron handrail was built into the Tower. It was designed and installed by RC Larkin of Tandridge, in consultation with the Bell Ringers, with the project undertaken by the Fabric Committee and paid for by the generosity of The Friends of St Mary Sundridge.

It was a delicate job since the handrail had to be fitted as close as possible to the uneven ragstone wall whilst also leaving enough space to be able to grip it. The brackets had been made in advance at the forge in Tandridge but the twisted square rail itself was curved on site and then welded to the brackets. We were enormously impressed by the craftsmanship and enthusiasm of the blacksmith who did the actual installation.

Our bespoke handrail looks as if it has been there since mediaeval times and all we spiral-climbers are absolutely delighted with it.

RC Larkin, Blacksmiths and Forgemasters, specialise in made-to-order wrought ironworks. The original firm was established in the 1870s by Mr Crowhurst and continued through three generations of that family. Roger Larkin

joined the forge as an apprentice in 1946 and later took over the business. His son, Simon Larkin, now runs the firm.

## What are you giving up during Lent?

During Lent, the parish of Sundridge with Ide Hill and Toys Hill is asking its parishioners not to give up something during Lent, but instead to give something to the 'Loaves and Fishes' Foodbank. Collecting boxes are available at both Sundridge and Ide Hill churches, with the added benefit that Ide Hill is open daily. Sundridge Church is now open every Saturday between 10am and 5pm, and the box is to be found in the Tower Room as you enter the church so even if you are not a regular attendee, there is no excuse! Of course, if you would like to attend a service, you will be made very welcome.

This charity supports up to 40 families with young children, giving them a large bag of non-perishable food every week of the year.

## Advance Notice to anyone interested in flower arranging

### A Flower Workshop – Wednesday, 15th May 2019 at 10.30am at St Mary's Church, Sundridge

Members of the Flower Group at Sundridge Church are very pleased that Carol Edmonds, who organises the Flower Festival at Ide Hill Church, has agreed to demonstrate easy flower arrangements at a Flower Workshop in Sundridge Church on Wednesday 15th May.

We would like to encourage more people to take an interest in floral art and, if this results in extra flower

arrangers for the church in due course, then that will be a bonus.

Although this workshop is open to all, places will be limited so please contact me to reserve a place. Coffee and biscuits will be served and no cost is involved. Just come and enjoy with no obligation.

## A warning to all Altar Boys

What started as a joke ended with an uncertain future for two altar boys from Spain. They were detained overnight, after being found guilty of putting weed in the censer-burner of the cathedral of Santiago de Compostela. The censer-burner was being used to celebrate the Epiphany of our Lord.

One of the assistants thought that the burner didn't smell as usual. Apparently it was a familiar smell, "but I couldn't relate it to anything, apart but my son's bedroom that sometimes smells like that."

Following the Mass, the altar boys were arrested by the police after confirming that the strange smell was indeed marijuana. They said that it was a joke and that they had bought no more than half a kilo of weed to drop inside the censer-burner so as to ensure that people left the cathedral happier than they had arrived.

Finally the boys were released without charge but they will not be able to discharge their functions as altar boys anymore.

## The Market at St Luke's

The market is within walking distance of Sevenoaks station and Blighs Meadow car park (by Marks & Spencer).

A friendly local market, it takes place every Thursday morning between 9am and 11am and sells a wide range of local produce: delicious home-made cakes, pastries, savouries and soups.

The market also takes orders for fresh food direct from its suppliers: fresh meat from traditional butcher Larratt & Co from Westerham; wholemeal, white and brown speciality breads from Rusbridge of Southborough; large free range eggs from Barradale Farm, Headcorn.

There are stalls for honey, jams, chutneys, fresh fruit and vegetables, flowers and plants, and arts and crafts.

St Luke's Church Hall, Eardley Road  
(off Granville Road), Sevenoaks TN13 1X

Why not take advantage of the market's **FREE** local delivery service? Orders can be made by telephone to Jenny Ellis (01959 562422) or Estelle Hyams (01959 561673).

## The Sundridge Community Land Trust

We have met twice since the successful public meeting in Sundridge Church .

We have now received donations towards our plan and, as a result, have appointed a firm of specialists to look at in detail the infrastructure and flood mitigation measures needed to finalise the plan. This will enable us to see what can be built and where.

The Company Limited by Guarantee is now set up and we await charitable status.

## Keep 'em peeled

After a recent spate of incursions onto private property and subsequent thefts in our area, we appeal to everyone to be particularly vigilant.

If you should see a vehicle parked up in an isolated area where you would not normally expect to see one, please note the registration number and make and model and ring the Police.

This information is invaluable to the Police in the event of an incident and the Police do not worry if it transpires to be a false alarm.

## A Tribute to Roley Smith

Roland, mostly known as Roley, was the eldest son born in a cottage on Main Road in Sundridge, followed by two brothers Keith and Terry and then later a sister.

He was a choir boy at St Mary's Church, attended Sundridge school and then Chevening school until he was fourteen.

As a young man, he made local deliveries on a bicycle for Pearce's in Sundridge, joining the boy scouts at Chevening and then the army cadets at Westerham where he first learned to box.

For a time he worked for French's dairies at Sevenoaks and for many years as a driver for West Kent Laundry at Sundridge. His National Service was two years in the RAF during which he met and waited on 'Pandit' Nehru, the first Prime Minister of India.

As a young man, Roley played for the local 'Robins' football team. He later managed the Sundridge and Brasted Football Club and became a committee member for the new pavilion.

For several years he was a keen member of the darts team for Sundridge Mens' Club.

Seventy-two years ago as a teenager, he met Betty and sixty-eight years ago they married in St Mary's Church; subsequently they had two daughters – Hilary and Vivienne. After their marriage he became a Grandfather and Great Grandfather. He loved the seaside and spent many a holiday with his daughters and their families, even venturing to Greece with them after retiring.

Roley was an ardent fan of the Arsenal Football Club, encouraging nephews and two of his grandsons to follow his love of the sport.

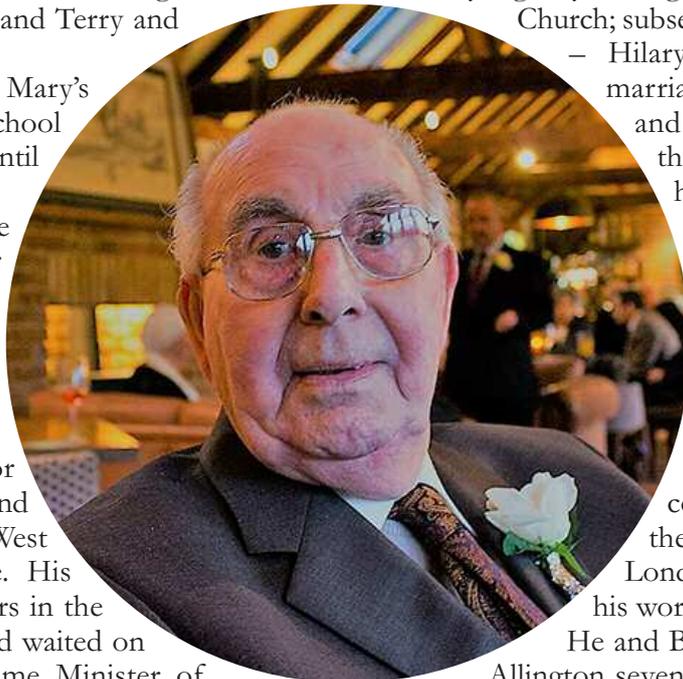

He went into business with colleagues, working at Polhill and then Peckham in South East London for the last twenty years of his working life.

He and Betty moved from Sundridge to Allington seventeen years ago but always kept in touch with 'home.'

He was always very interested in most sports and often helpful when sporting answers for quizzes and crosswords were needed.

Roley, very dear to and much loved by his family.

## Sundridge and Brasted Horticultural Society

What a gorgeous sunny afternoon, both outside and inside Brasted Pavilion as so many of our members joined the Committee at our Tea Party in the afternoon of Wednesday 20th February.

Thank you all for joining us to enjoy the various cakes, cups of tea, to pay your annual subscription to the Horticultural Society and to be given the new membership cards which set out our programme for this year.

We have our Programme Secretary, Estelle Hyams, to thank for such a super number of talks and visits that she has arranged.

The first meeting of the year will be at 8pm at Brasted on 10th April, the next at Ide Hill on 8th May. You will find out the subjects when you pay your subscription and receive your programme for the year.

To whet the appetites of those of you who do not currently belong to our Society, or others who have yet to pay their subs, we look forward to a visit to Hever Flowers at Bough Beech where we are joining the Ide Hill Gardening Society on 12th June at 7 pm.

On 17th July, there is an afternoon outing to Lavender Fields at the Hop Shop, Castle Farm, Shoreham. Well worth a visit to their Hop Shop where we can buy so much appetising food, as well as seeing the lavender in full bloom. Names of members or new members wishing to join either of these visits can be given at our April and May meetings.
